3.5oz ALL NATURAL PREMIUM MILK CHOCOLATE (34% COCOA)

**PLAYBOY**

**NOT YOUR TYPICAL CHOCOLATE** You'll no longer think of Easter when you see a chocolate rabbit. Playboy Enterprises, Inc., which has a line of sexy stuff (everything from lingerie and apparel to jewelry and footwear), just launched a series of sensuous premium milk and dark chocolate bars. Called Playboy Chocolate, these bars feature fun and flirty packaging—including the famed bunny silhouette. You'll be surprised how quickly you let your inhibitions down when you see the tempting flavor selection: I Love Playboy, Playboy Dark, Living the Good Life, The Mansion and Young & Loaded. Weighing 3.5 ounces, each chocolate bar is made from all-natural ingredients and costs \$5.50. You'll find these sexy sweets at the Playboy Store in The Forum Shops at Caesars (702-851-7070) or at the Playboy Boutique in the Palms (702-942-7777). Or visit [playboychocolate.com](http://playboychocolate.com).
